New Style of Shokado

Arita Porcelain Lab delivers for more than 10 years, this unique Conic series which can be used as a set of coordination or individually. Its form is simple and modern, timeless design that goes well with any cuisine. As well as overlapping three-stage, it can also be used as bowl separately, the lid as a plate, 3 stage bowl of large, medium and small is superimposed nested state and can be stored without taking place.
