

## 【Line】

Drawing a line is the first thing to learn for an artisan, and is the basic technique of Arita porcelain. This modern series of multiple lines was born, taking advantage of drawing line technique.

It features beautiful lines drawn one by one by handwork of skilled artisans.

A casual modern series, that takes full advantage of Yazaemon kiln's skilled artisans techniques. Popular series which was introduced by Martha Stuart Living.

“Arita Porcelain Lab” is the modern brand name of the Yazaemon Kiln, which was established over 200 years ago. It is one of Arita's oldest and largest-scale operating kilns.

Our luxury and modern style of Arita porcelain pieces are created one by one by handwork of skilled artisans, taking advantage of the unique techniques inherited in tradition of Yazaemon kiln, which evolved through countless trials.

### 100% "Made in Japan"

Arita porcelain is one of Japan's traditional handicrafts. The traditional techniques used to make Arita porcelain have been improved on with craft and design to meet the needs of modern lifestyles. The result is a simple, contemporary style of vessel, produced with the finest handwork expected from Japan's artisans.

**Everything was created by the skilled hands of proficient artisans who inherited these traditional techniques.**

Our own glaze has been developed through countless trials. Our proficient artisans apply the paint individually to every piece, to create a high-quality deep radiance. The traditional method of firing at high temperature of 1300c for 3 days, result in thin, light and durable finish.
